Topic: Cruising With Allez! “ Lake Ontario and Thousand Islands”

Please RSVP to Karl Naugle if you are attending and what you might bring.

It's a Spaghetti Cook off—let me know if you want to enter—limited spaces. If you are competing with “King of Spaghetti David Walsh” like I am, I would like to know so we can plan for enough food. Someone has to unseat the King .

March is when we start to plan voyages and dream of idyllic anchorages. Bob and Helen Kovach will share their on-going adventure of the Great Loop around the USA through lakes, locks, and rivers. We will enjoy some loopy food ...spaghetti bolognese. Please bring your offerings to augment this dinner....salad bread or dessert. Last but not least, bring a guest, your sense of humor and a salty yarn.....just for fun.

Cheers! Paul Mitchell
